AMEND Senate Bill No. 1029

House Bill No. 1064*

By deleting the language:

The advisory council on workers' compensation shall update the appropriate joint subcommittee of the house and senate government operations committees in one (1) year on the progress of the commission's responses to the audit findings, as well as other changes and processes discussed. The comptroller shall not conduct a new audit prior to the update by the advisory council on workers' compensation pursuant to this section.

And by substituting instead the language:

The comptroller shall not conduct a new audit prior to the update by the advisory council on workers' compensation pursuant to this section.
